Dear Unitarian Universalist Church of Annapolis Associates,

Thank you for your investment in Beacon House. Your donation of \$496.25 on 12/27/2018 is greatly appreciated. Forward-thinking supporters like you are helping us to close the education achievement gap and improve the economic trajectories of children in Ward 5. I know the students and their families join me in thanking you for making that possible!

The afterschool programming offered at Beacon House encourages children to improve their performance in school while also nurturing other interests and talents. Our ultimate goal is for students to graduate from high school prepared to go on to college, university or technical school. And, we are succeeding. Over the last decade, from 2008-2018, 93% (244 of 262) of our seniors went on to attend a university, college or trade school.

Thank you again for providing critical support to the youth and families of Ward 5.

In partnership,

Kevin Hinton

CEO/Executive Director
