Emily Carter Mitchell

Emily is an award winning and published nature and wildlife photographer based in Annapolis, Maryland. Through her work, Nature as Art, she brings a creative interpretation of the natural world, and her images express a sense of serenity with profound stillness and ethereal attributes.

Her work has been included in local newspapers, magazines, books and smart device apps. Her blogs, Hoof Beats and Foot Prints are internationally recognized and showcase her beautiful images and insights on nature. Her photographic journey began when she was a teenager and Emily has always enjoyed photography as a way of connecting to the world around her.

Emily's passion for photography is shared with others through her nature and wildlife photography classes for Capital Photography Center based in the Metro DC area.
