Dear Rev. Muir,

I am writing to you to provide a statement of your charitable giving in 2021 and to extend the deep thanks of everyone associated with Habitat. We are most grateful for your charitable support during the 2021 tax-year in the amount of \$6,528.

We are especially pleased by our philanthropic partnership with Unitarian Universalist Church of Annapolis, which makes it possible to carry out our important mission of offering hardworking, low-income families with life-changing opportunities to become homeowners. Your support has provided critical resources as we meet a time of challenge and work to move our mission forward in a time of growing need. With your help we have been able to adapt.

We continue to recruit and educate first-time homebuyers — with outstanding participation in virtual training programs. We now have a record number of well-qualified homebuyers admitted to our rigorous program, and we have a robust agenda of new construction and vacant property rehabilitation underway. As we enter our 40th Anniversary year, we are poised for a period of exceptional service. Thank you for your role in making this possible.

Your help made it possible to continue construction as we started and stopped volunteer participation depending on safety. Our model workforce training program launched another class in September, is providing life-changing training in carpentry, landscaping, and property management. The Restore network, the stores that help build homes, proved to be invaluable to donors and customers needing affordable home necessities.

Support from exceptional donors like you is essential for our work. Thanks to you, more children in our community will be healthier and will thrive in school because they will have a safe, stable, and permanent place to call home. On behalf of our staff, board, and partner families, thank you for helping us build better homes and brighter futures and for empowering families with the pride, independence, and stability that comes with owning a home.

Sincerely,

A handwritten signature in blue ink that reads "Gregg R. Mitchell".
