Heather Millar

Heather Millar has been a member of UUCA for 26 years. She is now living in Cleveland, Ohio to be near family, The Guardians, and Lake Erie. She is a member of the Building Beloved Community Team and has served on the Board of Trustees. Heather is a retired public educator--17 years as a mathematics teacher and 18 years as a high school administrator.

The digital photograph she submitted was taken March 17, 2022 at 7:20 AM from her apartment.

Jannina Ortiz

Jannina Ortiz has been a creative person her whole life. She has a B.F.A in Design and Technical Theatre, as well as a B.S. in Digital Entertainment and Game Design. She spent 15 years in the theatre and film industry as a costume designer and stage manager. Although she loved her time with Walt Disney World and Universal Orlando, her heart was with the fine arts.

She draws, paints, and creates digital art. Although she does work with watercolors and oils, her preferred medium is acrylics. All of her paintings originate from dreams that she has had. She believes that we can exist together, help each other, and learn from each other.

Kai Westby

Kai Westby is a rising 8th grader at Bates Middle School in the visual arts program. He took a digital art class at school, and originally created these pieces featuring his cat, Milo, just for fun.

Milo is very adventurous; Kai's other cat, Lilypad, is afraid of cat treats.
